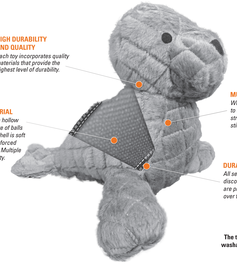
MIGHTY®

WORLD'S "TUFF"EST SOFT DOG TOY

MIGHTY®



HIGH DURABILITY AND QUALITY
Each toy incorporates quality materials that provide the highest level of durability.

3 LAYERS OF MATERIAL
Each toy starts with a hollow plastic squeaking core of balls and squeakers. The shell is soft microfiber that is reinforced with a mesh backing. Multiple layers create durability.

MULTIPLE ROWS OF STITCHING
When sewing the toy's seams together, we add webbing to the vulnerable seams to reinforce and make them stronger. This extra binding creates multiple rows of stitching to hold the seams together.

DURABLE SEAMS
All seams are located inside the toy to discourage chewing. Vulnerable seams are protected by sewing a flexible material over the edge of the seam.

The toys are machine washable, (air dry), and they float!
