

MIGHTY[®]

Multiple Layer Dog Beds[™]

INSTRUCTIONS

Special Notice: We OVER STUFF our dog bed core to create a snug fit when inserted into our dog bed sheets. This is because the stuffing will compress over time. If you are having trouble inserting the core into the sheets, please take the following steps to remove stuffing from the inner core:

1. Unzip and remove waterproof cover.

2. Unzip stuffing chamber.

3. Remove desired amount of stuffing.

4. Reassemble and insert into sheets.
