### **This Toy Is Ranked 10**

The DuraScale™ is designed to give you insight on how durable the toy you are buying compares against another, ranking on a scale of 1 to 10 from least to most durable. Our goal is to help you purchase a toy suited for your dog's needs. All of our toys are made with the same extremely durable construction, but the shape of the toy can impact a dog's ability to penetrate the toy over time.
