# HOW ARE THEY MADE?

## MULTIPLE ROWS OF STITCHING

When sewing the toy's seams together, we add webbing to the vulnerable seams to reinforce and make them stronger. This extra binding creates multiple rows of stitching to hold the seams together.

## 2 LAYERS OF MATERIAL

Each toy has a soft outer material with a layer of heavy fleece underneath. The fleece underneath is what gives this toy its strength. The fleece core holds the body of the toy together when playing games like Tug.

**Machine Wash, Air Dry**

## DURABLE SEAMS

All seams are located inside the toy to discourage chewing. Vulnerable seams are protected by sewing a flexible material over the edge of the seam.

## HIGH DURABILITY AND QUALITY

Each toy incorporates quality materials that provide the highest level of durability.
