MIGHTY® dog toys are made from the highest quality materials to ensure your dog's safety. Never leave a toy with your dog unattended. Dog toys are designed for interactive play and are not meant to be chewed or ingested by any animal. Failure to follow these instructions can result in injury to your pet.

# HOW ARE THEY MADE?

## MULTIPLE ROWS OF STITCHING

Vulnerable areas are covered and sewn with a material binding that covers the original sewn edge. This extra binding creates multiple rows of stitching to hold the seams together.

## DURABLE SEAMS

All seams are located inside the toy to discourage chewing. Vulnerable seams are protected by sewing a flexible material over the edge of the seam.

## 2 LAYERS OF MATERIAL

Each toy has a plush outer material with a layer of heavy fleece underneath. The fleece underneath is what gives this toy its strength. The fleece core holds the body of the toy together when playing games like Tug.

**Machine  
Wash, Air Dry**

## HIGH DURABILITY AND QUALITY

Each toy incorporates quality materials that provide the highest level of durability.
