## HOW ARE THEY MADE?

### MULTIPLE ROWS OF STITCHING

*When sewing the toy's seams together, we add webbing to the vulnerable seams to reinforce and make them stronger. This extra binding creates multiple rows of stitching to hold the seams together.*

### 3 LAYERS OF MATERIAL

*Each toy starts with a hollow plastic squeaking core of balls and squeakers. The shell is soft microfiber that is reinforced with a mesh backing. Multiple layers create durability.*

### DURABLE SEAMS

*All seams are located inside the toy to discourage chewing. Vulnerable seams are protected by sewing a flexible material over the edge of the seam.*

### HIGH DURABILITY AND QUALITY

*Each toy incorporates quality materials that provide the highest level of durability.*

### THIS IS AN INTERACTIVE PLAY TOY, NOT A CHEW TOY.

Mighty® toys are built to withstand rigorous interactive play, not aggressive chewing. We use quality durable materials, but this product is still a "soft" plush dog toy that can be damaged from chewing. Care for your dog like you would your child. Do not allow your pet to swallow any part of ANY brand of dog toy. Injury may result.

**LIMITED GUARANTEE:** For defects in workmanship. To read the full details of our Limited Guarantee please visit [MYDOGTOY.com](http://MYDOGTOY.com)

**YOUR DOG'S SAFETY IS YOUR RESPONSIBILITY:** ALL dog toys are meant for interactive play, not for chewing. If your dog wants to "chew," remove the toy immediately and give your dog something they can digest if swallowed. Love your dog, treat them the same as a child, and NEVER let your dog ingest or swallow any part of ANY brand of dog toy. Injury may result.
