RETHINK DURABILITY
HOW ARE THEY MADE?

MULTIPLE ROWS OF STITCHING

When sewing the toy's seams together, we add webbing to the vulnerable seams to reinforce and make them stronger.
This extra binding creates multiple rows of stitching to hold the seams together.

Each toy starts with a hollow plastic squeaking core of balls and squeakers. The shell is soft microfiber that is reinforced with a mesh backing.
Multiple layers create durability.

DURABLE SEAMS

All seams are located inside the toy to

discourage chewing. Vulnerable seam are protected by sewing a flexible material over the edge of the seam.

HIGH DURABILITY AND QUALITY

Each toy incorporates quality materials that provide the highest level of durability.

LIMITED GUARANTEE: For defects in workmanship. To read the full details of our Limited Guarantee please visit MYDOGTOY.com
