

RETHINK DURABILITY HOW ARETHEY MADE?

MULTIPLE ROWS OF STITCHING

When sewing the toy's seams together, we add webbing to the vulnerable seams to reinforce and make them stronger. This extra binding creates multiple rows of stitching to hold the seams together.

Each toy starts with a hollow plastic squeaking core of balls and squeak The shell is soft microfiber that is reinforced with a mesh backing Multiple layers create durability

All seams are located inside the toy to are protected by sewing a flexible

material over the edge of the sear

Each toy incorporates quality materials that provide the highest level of durability.
