

MIGHTY®

Multiple Layer Dog Beds™

THE LAST DOG BED YOU WILL EVER NEED!

Special Notice: We OVER STUFF our dog bed core to create a snug fit when inserted into our dog bed sheets. This is because the stuffing will compress over time. If you want a less snug fit, please take the following steps to remove stuffing from the inner core:

1. Unzip and remove the sheet.
2. Unzip and remove waterproof cover.
3. Unzip stuffing chamber.
4. Remove desired amount of stuffing.
5. Reassemble and insert into sheets.

Machine Washable

Our durable zippered soft fleece sheets are machine washable and dryable (on Low). And since you can buy more than one set of sheets you can wash them at your convenience!

Removable & Replaceable

Our removable sheets are also replaceable so if they ever tear or become worn they can be replaced like bed sheets without having to purchase a brand new bed. Mix and match colors to customize your dog's bed to your home. Each part of our bed including the durable covers and stuffing can be replaced, saving you money and giving your dog a familiar bed for life. Replacement sheets available at MYDOGTOY.com.

Two Piece Design

Our unique two piece design (pillow mat and bolster) makes our bed versatile and portable for travel. The removable bottom cushion can be used as a travel mat or crate mat to promote the familiarity of home in a not-so-familiar place like the boarding kennel or a camping trip.

Available in Four Colors & Three Sizes!

Customize your dog bed with four different color options! Because additional sheets can be purchased separately, you can choose from Desert Tan, Sage Green, Midnight Blue and Wine Red to match your home decor, or simply give your pup a little variety.
