Chewing Habits

PATENTED

Soft, yet  
**MIGHTY<sup>®</sup> strong!**

## RETHINK DURABILITY

# MYDOGTOY.COM

### CARE INSTRUCTIONS

This toy is machine washable – air dry.

### REMOVE LOOSE THREADS

Over time this toy will start to show wear. Trim loose threads or loose material to avoid accidental ingestion.

### THERE IS NO SUCH THING AS INDESTRUCTIBLE!

Mighty<sup>®</sup> toys are built to withstand rigorous interactive play, not aggressive chewing.

We use quality durable materials, but this product is still a “soft” plush dog toy that can be damaged from chewing. Care for your dog like you would your child.

Do not allow your pet to swallow any part of ANY brand of dog toy.

### YOUR DOG'S SAFETY IS YOUR RESPONSIBILITY:

All dog toys are meant for interactive play, not for chewing. If your dog wants to “chew,” remove the toy immediately and give your dog something they can digest if swallowed. Love your dog, treat them the same as a child, and NEVER let your dog ingest or swallow any part of ANY brand of dog toy. Injury may result.

**LIMITED GUARANTEE:** For defects in workmanship.

PATENTED

# HOW ARE THEY MADE?

## MULTIPLE ROWS OF STITCHING

When sewing the toy's seams together, we add webbing to the vulnerable seams to reinforce and make them stronger. This extra binding creates multiple rows of stitching to hold the seams together.

## DURABLE SEAMS

All seams are located inside the toy to discourage chewing. Vulnerable seams are protected by sewing a flexible material over the edge of the seam.

## 2 LAYERS OF MATERIAL

Each toy has a soft outer material with a layer of heavy fleece underneath. The fleece underneath is what gives this toy its strength. The fleece core holds the body of the toy together when playing games like Tug.

## HIGH DURABILITY AND QUALITY

Each toy incorporates quality materials that provide the highest level of durability.

Machine Wash –  
Air Dry
