CARE INSTRUCTIONS

This toy is machine washable – air dry.

REMOVE LOOSE THREADS

Over time this toy will start to show wear. Microfiber is a continuous looped thread, so be sure to trim loose or pulled threads. If your dog starts pulling apart the toy, take the toy away. Do not allow this behavior and avoid accidental ingestion.

**THERE IS NO SUCH THING
AS INDESTRUCTIBLE!**

Tuffy® Mighty® toys are built to withstand rigorous interactive play, not aggressive chewing. We use quality durable materials, but this product is still a “soft” plush dog toy that can be damaged from chewing. Care for your dog like you would your child. Do not allow your pet to swallow any part of ANY brand of dog toy. INJURY MAY RESULT.

MIGHTY® MICROFIBER CONSTRUCTION

MULTIPLE ROWS OF STITCHING

Tuffy® Mighty® Microfiber toys have multiple rows of stitching. The number of rows and stitching depends on the shape, size and style of the toy.

MULTIPLE LAYERS OF MATERIAL

Tuffy® Mighty® Microfiber toys have 3 layers of material. Each toy starts with hollow plastic squeaking core balls and squeakers. We then add a layer of luggage grade material and a third layer of soft microfiber fleece on the outside. Multiple layers create durability.

DURABLE SEAMS

All seams are located inside of the toy to discourage chewing. Whenever possible, a layer of webbing is added to the vulnerable seams to reinforce and make them stronger.

HIGH DURABILITY AND QUALITY

Each toy incorporates quality materials that provide the highest level of durability.

YOUR DOG'S SAFETY IS YOUR RESPONSIBILITY:

All dog toys are meant for interactive play, not for chewing. If your dog wants to "chew," remove the toy immediately and give your dog something they can digest if swallowed. Love your dog, treat them the same as a child, and NEVER let your dog ingest or swallow any part of ANY brand of dog toy. Injury may result. Not for children.
