CARE INSTRUCTIONS

This toy is machine washable – air dry.

REMOVE LOOSE THREADS

Over time this toy will start to show wear. If your dog starts to pull apart the material from the plastic core, remove the material entirely to avoid ingestion. Then return the plastic core for a whole new toy for your dog to play with!

**THERE IS NO SUCH THING
AS INDESTRUCTIBLE!**

Tuffy® Mighty® toys are built to withstand rigorous interactive play, not aggressive chewing. We use quality durable materials, but this product is still a “soft” plush dog toy that can be damaged from chewing. Care for your dog like you would your child. Do not allow your pet to swallow any part of ANY brand of dog toy. INJURY MAY RESULT.

MIGHTY® CONSTRUCTION

MULTIPLE ROWS OF STITCHING

When sewing the toy's seams together, we add webbing to the vulnerable seams to reinforce and make them stronger. This extra binding creates multiple rows of stitching to hold the seams together.

MULTIPLE LAYERS OF MATERIAL

Each toy starts with a hollow plastic squeaking core in the shape of the toy. We then add a layer of luggage grade material and a third layer of soft fleece on the outside. Multiple layers create durability.

HIGH DURABILITY AND QUALITY

Each toy incorporates quality materials that provide the highest level of durability.

2 TOYS IN 1

Instead of stuffing, we created a plastic squeaking core in the shape of the toy. If your dog removes the outer layers, they still have a whole new toy to play with!

NO WHITE STUFFING!

Please read other side for more instructions.

YOUR DOG'S SAFETY IS YOUR RESPONSIBILITY:

ALL dog toys are meant for interactive play, not for chewing. If your dog wants to "chew," remove the toy immediately and give your dog something they can digest if swallowed. Love your dog, treat them the same as a child, and NEVER let your dog ingest or swallow any part of ANY brand of dog toy. Injury may result. Not for children.
