### YOUR DOG'S SAFETY IS YOUR RESPONSIBILITY:

All dog toys are meant for interactive play, not for chewing. If your dog wants to "chew," remove the toy immediately and give your dog something they can digest if swallowed. Love your dog, treat them the same as a child, and NEVER let your dog ingest or swallow any part of ANY brand of dog toy. Injury may result. Not for children.

LIMITED GUARANTEE: For defects in workmanship. To read the full details of our Limited Guarantee, please visit [MYDOGTOY.com](http://MYDOGTOY.com)

Please read other side for more instructions.

### MULTIPLE ROWS OF STITCHING

Tuffy<sup>®</sup> Mighty<sup>®</sup> toys have multiple rows of stitching. The number of rows and stitching depends on the shape, size and style of the toy. Two directions of cross stitching hold multiple layers of material together.

### MULTIPLE LAYERS OF MATERIAL

Tuffy<sup>®</sup> Mighty<sup>®</sup> toys have 2 layers of material. We add an internal layer of luggage grade material for added strength when playing games like tug. Then, a second layer with a soft fleece.

### DURABLE SEAMS

All seams are located inside the toy to discourage chewing. Whenever possible, a layer of webbing is added to the vulnerable seams to reinforce and make them stronger.

### HIGH DURABILITY AND QUALITY

Each toy incorporates quality materials that provide the highest level of durability.
