MULTIPLE LAYERS SEWN MULTIPLE TIMESI

Tuffy toys are the most durable dog toys on the market! With up to 4 layers of material, our toys are bonded and sewn together multiple times to make one "Tuff" layer. We also sew a protective webbing around the outside seams for added durability. Squeakers are sewn into material pockets inside the toy. This additional layer of safety can give you the time you need to safely remove the toy in the event your dog reaches the core.
