

MULTIPLE LAYERS SEWN MULTIPLE TIMES!

Tuffy Pet Toys are the most durable toys available. There is no such thing as indestructible! Each toy is stuffed with safe, non toxic fiber and we added a protective pouch around each squeaker as an added safety measure in the unlikely event your dog gets to the core. Our toys have been tested on numerous dogs (including our own) to ensure the highest quality and most fun for our best (four legged) friends and the best value for our two legged customers.

THERE IS NO SUCH THING AS INDESTRUCTIBLE!

Tuffy's are the "World's Most Durable Soft Dog Toys" and they are built to withstand rigorous interactive play, not aggressive chewing. We use quality durable materials, but this product is still a "Soft" plush dog toy that can be damaged from chewing. Care for your dog like you would your child, do not allow your pet to swallow any part of any brand of dog toy.
