

Limited Guarantee: For defects in workmanship. To read the full details of our Limited Guarantee, please visit MYDOGTOY.com

YOUR DOG'S SAFETY IS YOUR RESPONSIBILITY:

ALL dog toys are meant for interactive play, not for chewing. If your dog wants to "chew," remove the toy immediately and give your dog something they can digest if swallowed. Love your dog, treat them the same as a child, and NEVER let your dog ingest or swallow any part of ANY brand of dog toy. Injury may result.

**TUFFY® MEGA
BALLS**

Washable And They Float!

WORLD'S MOST DURABLE SOFT DOG TOY

7 SEVEN ROWS OF STITCHING

Tuffy® toys can have up to 7 rows of stitching. The number of rows of stitching depends on the shape, size and style of the toy. Two directions of cross stitching hold the multiple layers together. Rows of stitching hold webbing around the materials edge, and the toys' parts are sewn together with up to 3 rows of stitching. When possible, a protective webbing is added around the outer edge and sewn up to 3 more times.

7 SEVEN LAYERS OF MATERIAL

Tuffy® MEGA toys can have up to 7 layers of material depending on the shape size and style of the toy. Our MEGA series (depicted here) can have up to 3 layers of Luggage grade material. Certain layers of material are coated with a layer of plastic to hold the material fibers together. Finally, we use soft fleece for the outside layer.

PROTECTIVE WEBBING

For our Ultimate series we add an additional layer of webbing, whenever possible, around the outside edge to cover the seams of the toy. This is sewn multiple times, for added durability.

Washable • They Float • Extreme Durability
Tiger Tested, Dog Approved!
