

# HOW ARE THEY MADE?

## Premium Quality Materials

We prioritize the use of premium quality materials for the exterior fleece. The high-grade fleece is soft to the touch, making it perfect for cuddle time and play time for dogs of all sizes and breeds.

## PROTECTIVE WEBBING

Compared to traditional plush toys, we add an extra layer of webbing over the seams to add strength to the seams.

**Washable  
And  
They Float!**

## Squeaker Safety Pockets

Squeakers are sewn into material pockets inside the toy. This additional layer of safety can give you the time you need to safely remove the toy in the event your dog reaches the core of the toy.
